Cut out the sentence strips and boxes. Glue the sentence strips in order in each box and then staple together to make a book. Illustrate each page.

July week 2 El.

Joshua and the Israelites travel to Jericho

The Israelites and priests walked around the city 6 days silently.

God told Joshua to march around the city 6 times and then on the 7th day march and blow their trumpets.

On the 7th day they marched around the city, blew their horns, and the walls fell down flat.

Joshua sent the 2 spies to get Rahab and her family.

The Israelites stormed the city.
